Description

We are looking for a responsible Safety Officer to facilitate compliance with occupational health and safety (OHS) guidelines. You will provide advice on measures to minimize hazards or unhealthy situations. You will also be on a constant lookout for violations.

The ideal candidate will be a responsible individual who swears by OSH regulations. Your work will be largely focused on prevention so you need to be diligent. The ideal candidate will also be detail-oriented and ready to act in emergencies.

The goal is to establish a safe workplace according to legal standards and foster a culture of attention to health and safety.

This position reports to the managing director

Responsibilities

- Support the development of OHS policies and programs.
- Advise and instruct on various safety-related topics (noise levels, use of machinery etc.)
- Conduct risk assessment and enforce preventative measures.
- Review existing policies and measures and update them according to legislation.
- Initiate and organize OHS training of employees.
- Inspect premises and the work of personnel to identify issues or non-conformity (e.g. not using protective equipment)
- Oversee installations, maintenance, disposal of substances etc.
- Stop any unsafe acts or processes that seem dangerous or unhealthy.
- Record and investigate incidents to determine causes and handle worker's compensation claims.
- Prepare reports on occurrences and provide statistical information to upper management.
